Certified Scrum Product Owner® (CSPO®) **- CERTIFIED BADGE**

Issued To	Emelie Dymling
Company	MCA Sweden
Badge ID	1187142
Issued By	Scrum Alliance, Inc.
Location	Denver, CO, US
Issue Date	02/06/2020
Expiration Date	02/07/2022
Description	The Certified Scrum Product Owner® (CSPO®) demonstrates knowledge and ability to maximize the value of a product.

The CSPO certificant:
● Creates and communicates the product vision to the Scrum Team and understands release goals
● Makes decisions with the customer and business in mind
● Maintains a Product Backlog
CSPO certification is a prerequisite for Advanced Certified Scrum Product Owner (A-CSPO℠) and the first step in the journey to become a Certified Scrum Professional® Product Owner (CSP®-PO).

Certification Requirements
This certificant has:
● Participated in person for an educational offering (>16 hours) or coaching session (>25 hours) led by a CST®, CEC, or CTC that covers the CSPO learning objectives

Certificants must maintain their active status by adhering to renewal requirements, shown here:
https://scrumalliance.org/get-certified/renewing-certifications
